Subject: Educational Workshop

Dear Col Sinha,

This is only to thank you for the wonderful educational workshop you conducted for all our teachers of Sanawar on 17th and 18th February, 2014. Not only was it very informative for all of us but you made it so interesting with your anecdotes and practical examples based on your life experiences. Rarely have I met anyone with so much of wisdom and energy which was so very infectious for all of us. You and your workshop were just the tonic, we all needed to start our new academic session.

I am certain that your TeaQIP with the students today will be equally wonderful and beneficial for our school.

Thank you once again and may God bless you for the good work that you are doing.

With regards,

Praveen Vasisht
