LETTER OF APPRECIATION

We express our heartfelt appreciation to Col. Sudhir Sinha for conducting a 2-day Teachers' Training Session in our School for all teaching Staff and Matrons. The program covered a variety of topics related to the concept of teaching and various approaches to improve the quality of teaching-learning process in educational institutions.

Col. Sinha's program is very unique. He has great ability to earnestly and diligently instill a willingness to go above and beyond the known and contemporary methods of instruction, which is highly commendable. His passionate and stimulating methods of delivery are highly rewarding and enjoyable. Not only did he have each and every one mesmerized but everyone learnt a lot too, in a very pleasant, interesting, thought-provoking and interactive manner.

His vision and zeal for training is highly laudable and his ability to energize very commendable. The information and insights provided by him will indeed prove to be of great assistance to our Staff, in carrying out their duties.

We are very glad to confirm that we have received a lot of positive feed-back from our Staff regarding the excellent training sessions conducted by Col. Sinha.

It is indeed a matter of pride and privilege to know that we have trainers of the calibre of Col. Sudhir Sinha who are willing to share their wisdom with others. We wish him all the best for his future endeavours.
